Dear Mr. Evans:

On behalf of the Supplier Quality Performance Data Tracking (SQPDT) members, I would like to present your organization with this letter of commendation. Your organization met the extremely difficult criteria of less than 2% supplier responsible deficiencies for the year 2009 during product inspections to make the SQPDT Supplier Honor List. ABZ Data Services, Inc. tracks Receiving Inspection data from the following Nuclear Power Utilities:

- Ameren/UE** – - Callaway Nuclear Power Plant.
- Entergy Operations** – - Arkansas Nuclear One 1 & 2, Cooper, Grand Gulf, Indian Point 2 & 3, James A. Fitzpatrick, Palisades, Pilgrim, River Bend, Vermont Yankee, and Waterford Nuclear Power Plants.
- Florida Power & Light** – - Duane Arnold, Point Beach 1 & 2, Seabrook, St. Lucie 1 & 2, and Turkey Point 1 & 2 Nuclear Power Plants.
- New Brunswick Power** – - Point Lepreau Nuclear Generation Plant.
- Public Service Electric & Gas** – - Salem & Hope Creek 1 & 2 Nuclear Plant
- Wolf Creek Nuclear Operating Corporation** – - Wolf Creek Nuclear Power Plant.

The excellent quality of products received at these facilities in the past year has been appreciated. It has reduced the cost of inspections and provided product which can be used immediately upon receipt.

Thank You and Your Staff from all of the SQPDT members for achieving the SQPDT Supplier Honor List.
